

How to start or expand an LSU STEM Pathway at your school

1

Get District and School Administrative Buy-In

2

Consider developing a K-12 district wide framework instead of just 9-12

3

School completes the LSU STEM Pathways Memorandum of Understanding

4

Teachers attend virtual LSU Pathways training June/July 2022

5

Students earn certifications during 2022-23 school year with ongoing support from LSU
