

Hear From The Students

Gary Morris
Class of 2021

Liberty Magnet High
Gold Engineering Endorsement

Engineering is one of my true interests, seeing how things operate and are put together makes me want to learn even more about engineering in all fields. Liberty High's pre engineering program has taught me so much when it comes to STEM and I'm so grateful for the opportunities that it has brought to me.

Christopher Taylor
Class of 2021

St. John the Baptist STEM
Silver DDEM Endorsement

I've translated the things I've learned in these digital media classes into the real world. Creating my own professional photography business, ChrispyCaptures. I photograph events and take portraits.

Abigail Guillory
Class of 2021

STEM Magnet Pointe Coupee
Silver Engineering Endorsement

I've always had an interest in STEM and I've always loved the fields they provide. It was a great course and a very interesting experience to have taken those courses. I've enjoyed all the courses I've taken throughout the years. I've also learned a lot.
